

Hello and welcome to our first ever user group meeting.

We are pleased to invite you to **Kegworth on August 17th**, to join with other **AUTOGLAZEIT** users to learn about the new features on offer and discuss future needs and developments. Additional tickets are available for your business partners or senior employees.

We also hope that you will stay over with us for dinner. We have secured very favourable rates with the Yew Lodge for both accommodation and dinner, including free use of the excellent spa facilities, so why not also bring your partner along? We would also like to thank **Glasstox** for sponsoring the table wine at dinner.

For those of you flying in to East Midlands Airport or arriving by train at East Midlands Parkway we can arrange with the hotel to have you collected. There is a small charge made by the hotel for this service. Just let us know in advance.

Now you just need to go to www.autoglazeit.co.uk to **register** for your free ticket and for any options that you want. If you experience any problems then please just call Rod on his DDI which is 0845 691 8923 or email him at rod@autoglazeit.co.uk.

We all look forward to seeing you on August 17th.

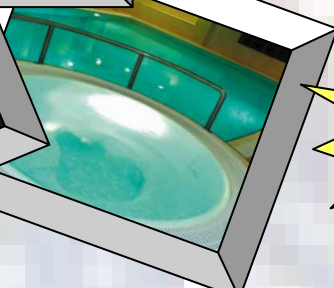

Best regards,

Rod, John & Nick
